

Are you a student with computational skills
looking for an internship?

The group of **Miltos Tsiantis** at **Max Planck Institute for Plant Breeding Research** in Cologne is offering **paid internship** positions to participate in projects on **advanced imaging** and **computational modelling**, integrating the concept of **genetic networks** with **biomechanics**.

Please, visit:

<http://www.mpipz.mpg.de/tsiantis-dpt/open-positons>
and contact **Ismene Karakasilioti** for enquiries
