6th European Workshow
on Plant Chromatin
(EWPC)
Organizing committee

Franziska Turck

I approve that my collaborator _____ participates in the 6th EWPC taking place from 13th to 14th of June 2019 at the MPIPZ. I authorize the finance department to transfer 85€ registration fee directly from account PZUCH_____ to the EWPC account. The registration fee covers the cost of participating at the scientific meeting including lunches and coffee breaks, but does not include a participation at the conference dinner on the 13th of June 2019 in the evening. Participants from the MPIPZ can participate at the conference dinner, please indicate this choice during the registration. The cost of 25€ for the conference dinner will have to be directly covered at the restaurant and, unfortunately, cannot be refunded.
